THE BIG PICTURE WORKSHOP

The participants of the event receive the necessary inventory (brushes, paints, stencils, protective gear) and a task: to come up with and draw a picture on a specially prepared large-format canvas (from 60x90 cm, depending on the number of participants).

Teams can be divided by departments, each will have their own large canvas and goals, or a single canvas can be used for the entire company. The pictures can have common themes, such as team values, visualizing goals for the year, etc.

During the process, employees establish connections and build effective communications with each other. The time required depends on the number and size of the canvases and participants.

Cost: 1 canvas of size 60x90cm costs 810 AED (optimal size if dividing participants into teams), the number of canvases = the number of teams. If everything is done on one canvas, we recommend sizes of 90x120cm (1620 AED), 90x150cm (2025 AED), or 100x150cm (2250 AED)."

MULTIPLE TO ONE WORKSHOP

Participants are given a fragment of a larger picture, and their main task is to create a unified picture through joint efforts. By actively interacting and coordinating with each other, teams achieve matching lines, drawing elements, and a uniform color at the junctions of neighboring segments.

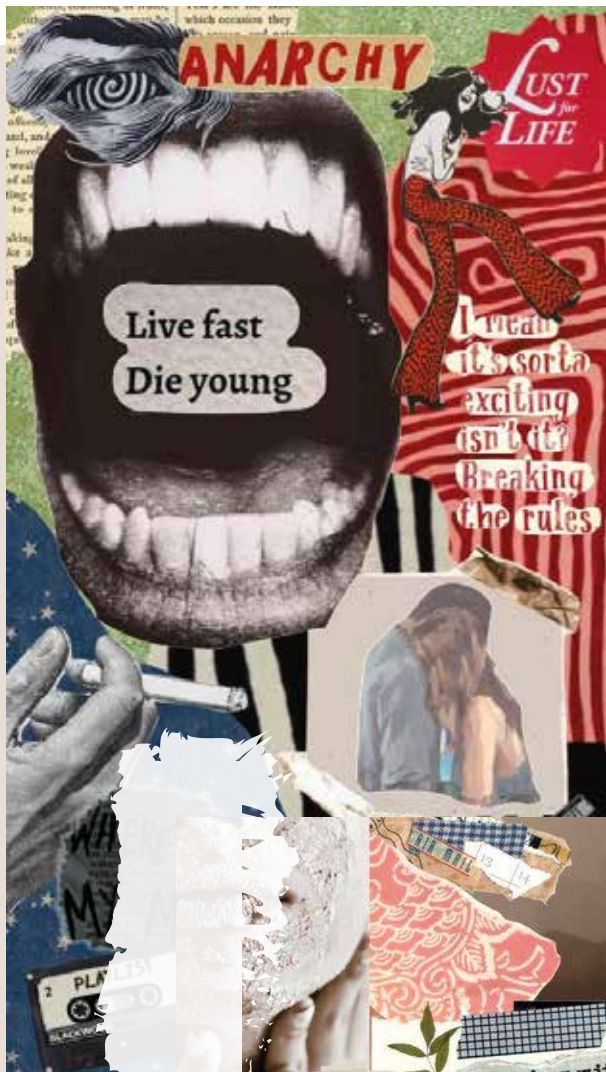

Artists keep an eye on the process and are always ready to help participants. As a result, a large picture is created, consisting of several small pictures. The theme can be anything, for example, the company logo, something related to the company, or just something beautiful. The time required depends on the number of canvases and participants.

Cost: It depends on the number and sizes of canvases. There are different options for dividing the picture into parts, for example, 9 canvases of size 30x40cm (total size 90x120cm as in the photo above), cost 1620 AED, 12 canvases of size 30x40cm (total size 160x90cm or 120x120cm) 2160 AED, 10 canvases of size 40x50cm (final size 100x200cm as in the picture below) 2400 AED.

NEWSPAPER AND PHOTO COLLAGE WORKSHOP

For a large canvas size, cutouts from newspapers, magazines, and photos related to the company are provided. Participants will stick them onto the canvas under the guidance of an artist, and then paint and draw on top of them.

Cost: 1 canvas of size 60x90cm costs 810 AED (optimal size if dividing participants into teams), the number of canvases = the number of teams. If everything is done on one canvas, we recommend sizes of 90x120cm (1620 AED), 90x150cm (2025 AED), or 100x150cm (2250 AED)."
